Dear Harold Weisberg:

I received your autographed book "Frame-Up" on 01/17/98. Thank you so much! It was a kind and generous thing to do. I very much appreciate it and will treasure your gift. I have long been impressed with your work. Many may not understand your personal courage, your diligence, your fortitude or realize how impressive your analytical skills are, but, I certainly do. Many times I have wished I had the opportunity to go through your much valued research material and see through the eyes that you have seen through.

Again, thank you for the wonderful gift and the opportunity to let you know how I feel about you and your work.

With kindest regards,

LoisKay Muran
